### Funding Proposals

**Stamford Campus Sports Club**, 2019 Fall Semester Events

Description of the request: This budget request is intended to encapsulate the expenses of the Stamford Campus Sports Club's entire Fall 2019 events. These events include (but are subject to change

depending on interest/and available equipment): Yoga, Badminton, Soccer Tournament, Basketball Tournament, Flag Football, and Trail Mix. These events will occur on campus (trail mix, Yoga) and at off-campus locations (Badminton, Soccer, Basketball). The sports activities themselves are subject to change depending on student interest, space, and equipment availability, but will include 3 off-campus sporting activities and two on-campus events. Total spring request is \$6,675.

Tentative date(s): Various Dates in Fall 2019 | Expected attendance: 425 (total, 40-70 students per event)

Justification of the request: In order for the Stamford Campus Sports Club to conduct these individual events successfully and efficiently, we require facilities that are large enough to host a number of participating UConn students (ranging from 40-70 participants) and supplied with quality sporting equipment such as soccer nets and basketball hoops, which the UConn Stamford Campus does not have. In addition, some of these events include tournaments which involve prizes supplied to the winning teams. These prizes are typically in the form of medals or trophies. Our tournaments tend to be our largest events, and the competitive aspect is what draws a lot of students to participate. Our organization's sporting events require a sufficient amount of food because these events involve vigorous physical activity, meaning it is important that we keep students supplied with adequate nutrition to keep them energized.

# Student Activity and Service Fee Advisory Committee Fact Sheet

**ORGANIZATION:** UConn Stamford Student Government Association

## A. Organization Contact Information

1. Campus Address: 1 University Place, Stamford, CT 06901
2. Campus Phone Number: (203) 251-8545
3. Organization Web Address: [www.sga.stamford.uconn.edu](http://www.sga.stamford.uconn.edu)

## B. History/Mission of Organization

### 1. History

The UConn Stamford Student Government Association (SGA) was founded in 1963. The organization's founders formed the Association, established a constitution, and elected officers to act as a liaison between undergraduate students and the school's administration. Since 1963, the association has grown from a 9-member organization to a thriving association of diverse student leaders that plans, organizes, and executes programming and events for the student body to enrich each student's experience at our campus. Through our programming, SGA strives to build on UConn Stamford's strong sense of community and tradition. In assisting with the organization's operations, students who are active in SGA develop leadership, management, and organizational skills.

SGA provides funds its wide range of programming and events by use of the Student Activity Fee which undergraduate students pay each semester. In addition, 30% of the Student Activity Fees collected is reserved for Registered Student Organizations (RSOs), who may use these funds when planning events and activities that are open to the student body.

### 2. Mission Statement

The mission of the UConn Stamford Student Government Association is:

- a. To represent the interests of the student body to the campus's administration
- b. To represent the interests of the student body to the UConn Stamford community
- c. To develop and fund extracurricular programming for the campus
- d. To hold events and organize activities that will benefit The Association
- e. To supervise all student activities that are funded by The Association
- f. To provide events and space to promote growth and connection within the UConn Stamford community
- g. To promote cooperation and support between all University of Connecticut campuses.
- h. To act in a way that represents The Association as a whole

## C. Student Fees

Fee-paying students pay \$40.00 each semester, for a total of \$80.00 per academic year.

## D. Eligible Participants

While events are open to the entire campus community, the primary audience for our events is the fee-paying undergraduate students.

## Regional Campus Student Activity Fund

### Budget Narrative Questions

Please answer the following questions in support of your budget proposal:

1. How are you **spending your funds** now? Briefly describe the programs and services provided.

The Student Government Association (SGA) uses its funds primarily on event programming for the undergraduate student body. From the Student Activity Fees we collect, 30% is set aside for use by Tier-II RSOs that need funding for events, equipment, and activities in accordance with their own mission statements. The remaining 70% is used for SGA's own programming and operating costs.

#### **SGA Programming Highlights**

##### *Event Programming*

SGA hosts a variety of events for all undergraduate fee-paying students, both on campus and off campus. For on-campus events, each semester we typically have three Novelty Days, Holiday Events (e.g. Halloween, Thanksgiving, Valentine's Day, Earth Day, etc.), two to three Karaoke Nights, two live entertainment shows (e.g. comedian, hypnotist, magician, etc.), Trivia Nights, bi-weekly Movie Nights, De-stress Day, and Finals Breakfast. Some off-campus events are ticketed events, such as our Broadway trip and Six Flags trip. For these events, SGA will subsidize up to \$40 of the ticket cost, in accordance with the current \$40 Student Activity Fee. With a significant increase in students at UConn Stamford, we expect to plan more events each semester to use all funds and provide students with more chances to attend more events.

##### *Welcome Weeks*

In addition to our regular semesterly events, each semester we host a Welcome Week to welcome all new students and returning students. Fall 2019 Welcome Week consisted of the following events: Stuff-a-Husky, a Carnival on the Concourse, ThinkFast Interactive Gameshow, Go-Karting, and Karaoke Night. For Spring 2020 Welcome Back Week we have budgeted \$8,000 for three events, at approximately \$2,600 per event. We have budgeted less for Spring Welcome Back Week since the events tend to be smaller than Fall Welcome Week events, and because the school week will start a day later on a Tuesday due to the holiday.

##### *Other Programming*

Part of the SGA budget is allocated for providing 25 copies of the *New York Times* to students four days a week during the academic semesters. We have also allocated funds for marketing supplies that can be used by SGA and RSOs to improve advertisement and boost student attendance. One service for which we purchase a subscription is Canva, an online platform for creating flyers and posters. The Canva account is open for use to SGA and all RSOs. We also will be purchasing the services of OnCampusText, which will allow us to send text messages to any student that opts-in to our list to notify them of upcoming events and receive input and feedback from polls. We expect that this investment will greatly improve student awareness and attendance for our events, and will allow us to better serve the needs of our constituents. Funds are also allocated for general office supplies for SGA.

- Stamford Campus Sports Club**, 2020 Spring Semester Events  
**Description of the request:** This budget request is intended to encapsulate the expenses of the Stamford Campus Sports Club's entire Spring 2020 events. These events include (but are subject to change Minutes of the General Senate Meeting of the UConn Stamford SGA on 12/05/19 Page 2 of 5 depending on interest/and available equipment): Dodgeball 2, Basketball 2, Skyzone, Soccer, Trail Mix. These events will occur on campus (trail mix) and at off-campus locations (Skyzone, Dodgeball, Soccer, Basketball). The sports activities themselves are subject to change depending on student interest, space, and equipment availability, but will include 4 off-campus sporting activities and two on-campus events. The total spring request is \$5,525.  
**Tentative date(s): Various Dates in Spring 2020 | Expected attendance: 425 (total, 40-70 students per event)**  
**Justification of the request:** In order for the Stamford Campus Sports Club to conduct these individual events successfully and efficiently, we require facilities that are large enough to host a number of participating UConn students (ranging from 40-70 participants) and supplied with quality sporting equipment such as soccer nets and basketball hoops, which the UConn Stamford Campus does not have. In addition, some of these events include tournaments that involve prizes supplied to the winning teams. These prizes are typically in the form of medals or trophies. Our tournaments tend to be our largest events, and the competitive aspect is what draws a lot of students to participate. Our organization's sporting events require a sufficient amount of food because these events involve vigorous physical activity, meaning it is important that we keep students supplied with adequate nutrition to keep them energized.
