## Funding Proposals

### **Husky Outreach for Minority Education**, Professional Clothing Drive

Description of the event: This event will offer a variety of professional clothes, ranging from suits, blouses, shoes, accessories, etc., available to UCONN students for professional opportunities. Food will be served as well.

Tentative date(s): 04/03/2019 | Expected attendance: 350

Justification of the request: We will need funding for equipment (clothing racks, hangers, etc.), and for food and snacks provided throughout the two-day event. The food will be offered to all attendees for the first day and snacks for the second day. We will also offer a door prize to students.

**Motion to approve:** up to \$500 for **refreshments, supplies, equipment, prizes** to be used by the **Husky Outreach for Minority Education (Professional Clothing Drive)**

**Moved by:** Maurice Maitland, Jr.      **Seconded by:** Noor Mian

**Voting results:** **Unanimous** **Motion** Passes

### **Data Analytics Club**, Data: The New Natural Resource

Description of the event: John Preli and two other IBM Employees will be joining us to speak about artificial intelligence in today's business world.

Tentative date(s): 04/03/2019 | Expected attendance: 50

Justification of the request: Food served in the event will be needed for the networking/coffee hour of the event as well as to draw students to the event.

**Motion to approve:** up to \$450.00 for **refreshments** to be used by the **Data Analytics Club (Data: The New Natural Resource)**.

**Moved by:** Maurice Maitland, Jr.      **Seconded by:** Irene Bal

**Voting results:** **Unanimous** **Motion** Passes

### **UConn Stamford Marketing Club**, Evolytix Presentation

Description of the event: Co-founders of Evolytix, LLC will come in and have a presentation/Q&A session about data, custom software, owning a business, etc. Dinner and refreshments will be provided.

Tentative date(s): 03/26/2019 | Expected attendance: 30 - 60

Justification of the request: The topic of this event relates to those who're interested in different fields such as: business, computer science, analytics, data, etc. considering that's what the company Evolytix does. The co-founders will come in and talk about the importance of their work and provide information about data, analytics, etc. The Marketing Club (Stamford Campus) thought it would be a good idea to hold this event as marketing and event planning would be great practice for the club members. We also thought that Co-Hosting with the Computer Science Club (Stamford Campus) would give the event more of a reach and exposure (and coming up with people to collaborate with is a part of marketing too). Since the event is held so late, we want to provide food and drinks so people would be more inclined to come in the sense that they're assured they won't be hungry while at the event and can enjoy themselves more.

**Motion to approve:** up to \$450.00 for refreshments to be used by the UConn Stamford Marketing Club (Evolytix Presentation)

**Moved by:** Maurice Maitland, Jr.      **Seconded by:** Corey Frate

**Voting results:** Unanimous Motion Passes

#### **Elite, Elite Showcase**

Description of the event: Performances of different dance styles including large group dances and solo/duo pieces. Meanwhile food and drinks will be provided to our audience. In between dances, it will leave for an opportunity for intermingling with the audience and have a raffle for Elite t-shirts.

Tentative date(s): 04/11/2019 | Expected attendance: 60

Justification of the request: The purpose of purchasing food and drinks is to get more students to attend and support our club with the goal of persuading more students to participate. Purchasing T-shirts as raffle prizes will help advertise and sponsor our club resulting in more members and getting our club name out there for future events.

**Motion to approve:** up to \$300.00 for refreshments and prizes to be used by the Elite (Elite Showcase)

**Moved by:** Maurice Maitland, Jr.      **Seconded by:** Irene Bal

**Voting results:** Unanimous Motion Passes

#### **Video Game Club, Video Game Club Meetings**

Description of the event: Equipment purchase.

Tentative date(s): 02/28/2019 | Expected attendance: 20 [Various Times of the day]

Justification of the request: As you may have noticed, those above the Video Game Club have seen fit to hold open hours for the Video Game equipment during all the open hours of the Game Room. This presents us the opportunity to have as many people within the confines of the Game Room as we can at all times, but only if the initiative is taken. The majority of Consoles in the Game Room allow for around 4 people to play at any given time, which seems fine if our options were as limited as our mindset. But we believe we can do better. With our new additions, we would be able to have nearly 16 people combined playing both TVs. Potentially. Four times the current estimation for PS4 and Xbox Systems. Furthermore, Portable play becomes an option for when the TVs are in use by other students, which also allows for more participation during open hours.

**Motion to deny:** the request of the Video Game Club (Video Game Club Meetings)

**Moved by:** Maurice Maitland, Jr.      **Seconded by:** Irene Bal

**Voting results:** Unanimous Motion Passes
