B. History/Mission of Organization

1. History

The UConn Stamford Student Government Association (SGA) was founded in 1963. The organization's founders formed the Association, established a constitution, and elected officers to act as a liaison between undergraduate students and the school's administration. Since 1963, the association has grown from a 9-member organization to a thriving association of diverse student leaders that plans, organizes, and executes programming and events for the student body to enrich each student's experience at our campus. Through our programming, SGA strives to build on UConn Stamford's strong sense of community and tradition. In assisting with the organization's operations, students who are active in SGA develop leadership, management, and organizational skills.

SGA provides funds its wide range of programming and events by use of the Student Activity Fee which undergraduate students pay each semester. In addition, 30% of the Student Activity Fees collected is reserved for Registered Student Organizations (RSOs), who may use these funds when planning events and activities that are open to the student body.

2. Mission Statement

The mission of the UConn Stamford Student Government Association is:

- a. To represent the interests of the student body to the campus's administration
- b. To represent the interests of the student body to the UConn Stamford community
- c. To develop and fund extracurricular programming for the campus
- d. To hold events and organize activities that will benefit The Association
- e. To supervise all student activities that are funded by The Association
- f. To provide events and space to promote growth and connection within the UConn Stamford community
- g. To promote cooperation and support between all University of Connecticut campuses.
- h. To act in a way that represents The Association as a whole

C. Student Fees

Fee-paying students pay \$40.00 each semester, for a total of \$80.00 per academic year.

D. Eligible Participants

While events are open to the entire campus community, the primary audience for our events is the fee-paying undergraduate students.

E. Governance

1. Executive Officers

- a. President: Maria Oliveira (Student)
- b. Vice-President: Georgios Karakyklas (Student)
- c. Chief Financial Officer: Anthony Fazza Mattoso (Student)
- d. Chief Administrative Officer: Chinedu Nkwo (Student)

2. Programming Directors:

- a. Jonathan Laing (Student)
- b. Kevin Morales (Student)
- c. Anejah McLaurin (Student)

3. Paid Positions

Our organization amended its constitution to have all paid positions changed to non-paid positions. All students who participate in SGA do so without any payment from the SGA or UConn except in the cases of reimbursements for event-related purchases.

Budget Narrative Questions

Please answer the following questions in support of your budget proposal:

1. How are you **spending your funds** now? Briefly describe the programs and services provided.

The Student Government Association (SGA) uses its funds primarily on event programming for the undergraduate student body. From the Student Activity Fees we collect, 30% is set aside for use by Tier-II RSOs that need funding for events, equipment, and activities in accordance with their own mission statements. The remaining 70% is used for SGA's own programming and operating costs.

SGA Programming Highlights

Event Programming

SGA hosts a variety of events for all undergraduate fee-paying students, both on campus and off campus. For on-campus events, each semester we typically have three Novelty Days, Holiday Events (e.g. Halloween, Thanksgiving, Valentine's Day, Earth Day, etc.), two to three Karaoke Nights, two live entertainment shows (e.g. comedian, hypnotist, magician, etc.), Trivia Nights, bi-weekly Movie Nights, De-stress Day, and Finals Breakfast. Some off-campus events are ticketed events, such as our Broadway trip and Six Flags trip. For these events, SGA will subsidize up to \$40 of the ticket cost, in accordance with the current \$40 Student Activity Fee. With a significant increase in students at UConn Stamford, we expect to plan more events each semester to use all funds and provide students with more chances to attend more events.

Welcome Weeks

In addition to our regular semesterly events, each semester we host a Welcome Week to welcome all new students and returning students. Fall 2019 Welcome Week consisted of the following events: Stuff-a-Husky, a Carnival on the Concourse, ThinkFast Interactive Gameshow, Go-Karting, and Karaoke Night. For Spring 2020 Welcome Back Week we have budgeted \$8,000 for three events, at approximately \$2,600 per event. We have budgeted less for Spring Welcome Back Week since the events tend to be smaller than Fall Welcome Week events, and because the school week will start a day later on a Tuesday due to the holiday.

Other Programming

Part of the SGA budget is allocated for providing 25 copies of the *New York Times* to students four days a week during the academic semesters. We have also allocated funds for marketing supplies that can be used by SGA and RSOs to improve advertisement and boost student attendance. One service for which we purchase a subscription is Canva, an online platform for creating flyers and posters. The Canva account is open for use to SGA and all RSOs. We also will be purchasing the services of OnCampusText, which will allow us to send text messages to any student that opts-in to our list to notify them of upcoming events and receive input and feedback from polls. We expect that this investment will greatly improve student awareness and attendance for our events, and will allow us to better serve the needs of our constituents. Funds are also allocated for general office supplies for SGA.

RSO Programming Highlights

Thirty percent of our current funds are allocated to Registered Student Organizations (RSOs). Funds for RSOs are allocated on a first-come, first-serve basis—provided that the event/purchase is an appropriate expense and that the event/purchase is available to the student body at large.

We currently have 36 Registered Student Organizations, excluding SGA. Tier-I organizations are not eligible to receive funding from SGA. Tier-II organizations may be eligible to receive funding from SGA.

2. Please explain any significant changes in your budget/spending plan for FY20 (July 1, 2019-June 30, 2020) and for FY21 (July 1, 2020-June 30, 2021) fiscal years.

In FY20, our student population has increased slightly, so we expect to collect a very similar amount of revenue from Student Activity Fee as in FY19, perhaps a bit more. Additionally, this year we are seeing more RSO activity and more RSOs are requesting funding, while SGA also is maintaining a very high level of programming and is spending more to serve more students. We anticipate that this trend will continue from FY20 into FY21 as our student population reaches maximum capacity. Therefore, we expect to continue the trend from FY20 into FY21 of increased spending into the reserve.

3. Do you anticipate any **changes in income from other sources** (non-student fee) during the FY20, FY21 and FY22 fiscal years? If so, briefly explain.

We do not anticipate any changes in income from other non-student fee sources.

4. What are the current and projected levels of your **reserves/fund balances**? If you have a fund balance, please describe the use/purpose of these resources.

Our current balance in the reserves at the start of this semester is \$59,939. The fund balance has decreased since last year due to an increase in programming on the part of both SGA and Tier-II RSOs. Because we expect RSO spending to continue to increase while SGA programming levels are maintained, we anticipate that we will continue to dip into the reserves in the subsequent fiscal years. This year we have budgeted so that if the RSOs spend all of the money set aside for them, we will spend approximately \$11,000 into the reserve. Given that we currently have a significant amount of funds in our reserve, this expenditure is acceptable.

5. Please describe the organizational priorities in your proposed FY22 budget. Are there any concerns/issues the Committee should be aware of when reviewing your budget?

In our FY22 budget our organizational priority is to continue to meet the needs of the student body as the student population increases and RSOs become more active on campus. To accomplish this goal, our larger FY22 budget takes into account that more funding will be demanded.

6. **Are you proposing an increase in your organization fee for FY22?** If yes, please provide the rationale for your request (include any information regarding the limits of your organization if the fee increase is not approved). What steps has your organization taken to reduce expenses and/or increase other revenues? What is the dollar increase you are asking per year? On the budget spreadsheet, please complete an additional column for FY22 that outlines how your organization will allocate the additional revenue from the proposed fee increase.

We are not proposing a fee increase at this time.

7. Relative to your fund balance (if you have one), what do you anticipate your accounts payable (items to pay for) and accounts receivable (money to collect) will be over the last two months of the fiscal year (May and June)?

During May and June we do not expect to see an increase in accounts receivable other than our monthly student fee transfer. Accounts payable will be primarily to pay for programs and events that occurred late in the spring semester (New York Times Subscription bill, etc.). Two expenses that will occur at the end of the semester are the Six Flags trip and the yearly SGA officer/director transition retreat.

8. Please describe how students (number and/or percentage of total student population) **utilize your services and/or participate** in your programs? Do faculty/staff (number/ percentage) benefit? Do members of the local community (number/percentage) benefit?

Appendix A provides a detailed breakdown of FY19 SGA and RSO events. Appendix A shows 90.7% of funds were used for fee paying students and 9.1% were used for non-fee paying attendees. Non-fee paying attendees include faculty/staff, graduate students, part time students, and occasionally members of the community.

9. Is there any **additional information** that the committee should be aware of in reviewing your budget proposal?

Since the addition of the residence hall in 2017, the demand for campus programming and activities has been steadily increasing. With an increased population, we have more student leaders who are taking the initiative to work towards their vision of what UConn Stamford can offer its students. As the Student Government Association, it is our job to enable these students to realize their visions by providing them with financial support, for the benefit of the entire campus. Our budgeting for this year reflects our desire to encourage student activity, involvement, and leadership so that the UConn Stamford undergraduate experience is memorable for everyone.

Review and Approval of Budget submission

We, the undersigned, confirm we sought input from our constituents and members via an item on a meeting agenda. Further, we attest that this budget packet was presented to, and approved by our organization at an open meeting on the following date: 11/21/2019.
